Domaine Chandon Pinot Noir 2006

Destined to be a classic, this 2006 Carneros Pinot Noir exhibits aromas of dried cherries, cedar and traces of dried tobacco. As the wine opens in the glass, underlying notes of vanilla bean and the fresh scent of a strawberry patch on a warm spring afternoon become evident.

With a faint brick-red hue, this Pinot Noir tantalizes the palate with flavors of black plums, white pepper and blueberries. As a hint of bay laurel lingers on the finish, the bright acidity and well integrated tannins offer an alluring accompaniment to your dining experience.

Produced in limited quantities. Not available in retail stores. Included on our Sunset & MOET trip. Available on other trips for \$35.

ESPERTO

Esperto Pinot Grigio 2007

Brilliant yellow with golden highlights in color. The freshness is the first thing that strikes you. Broad and complex. Clean and crisp fruit ranging from tropical to yellow apple. Spiciness comes out in a delicate orange peel. Delicate floral notes. Structured, intense, full-bodied with a citrus acidity and a fruity and persistent finish.

Produced in limited quantities. Not available in retail stores. Included on our Sunset & MOET trip. Available on other trips for \$25.

Vibrant crimson purple with a hint of brick red. Lifted blackberry, plum and Shiraz spice aromas with cinnamon and vanilla oak characters. Palate: Rich but soft exhibiting plum, liquorice and forest berry flavors balanced by vanilla and mocha oak characters. Fine tannins provide the wine with a solid backbone complemented by a long, fresh finish.

Medium light yellow color. Complex, spicy, very gently smoky, cedary, ripe Anjou pear purée with some crème brûlée notes. Solid, dry, well structured, medium to medium-full bodied, bright, rich ripe Anjou pear flavors with good acidity on the lingering vanilla directed finish. Best with white meats and poultry or even ribs.
